

Truvy[®] ALTER[™]

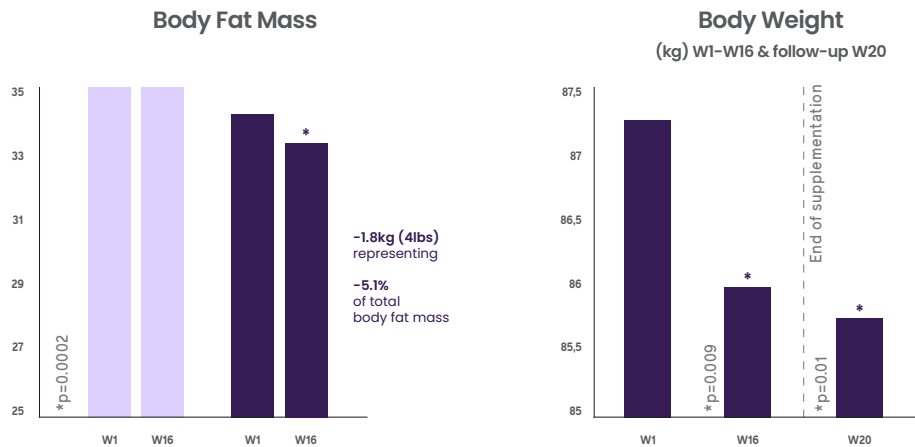

Alter your waistline with Truvy's newest product, ALTER[™]

ALTER[™] is a revolutionary weight loss product unlike anything else on the market. Formulated by a female with women in mind, ALTER[™] is specifically designed to sculpt your problem areas by targeting fat cells and keep them from storing – visibly altering your waist and hip lines!

Utilizing cutting edge ingredients, ALTER[™] works quickly by boosting your Lipolytic Activity by roughly 20% in just the first 24 hours! Specifically targeting fat cells in those hard-to-lose areas, ALTER[™] is sure to be your new best friend.

Backed By Clinical Support

***Subjects continued to lose weight even 4 weeks after the end of supplementation.**

- The increase in metabolic rate leads to a significant reduction of subjects' total body weight compared to the placebo group.
- 100% of the weight loss is from fat mass.
- Body composition is rebalanced: lean to fat-mass ratio significantly improves.
- 65% of the total fat loss is from the trunk area: the Index of Central Obesity decreases significantly.
- Waist & hip lines significantly decrease.

What's the Secret?

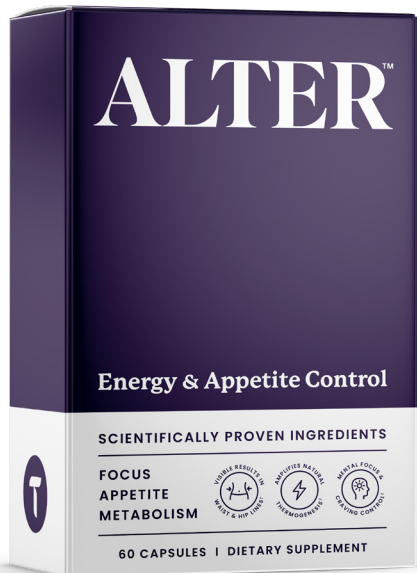

It's all thanks to our superstar ingredients: Grapefruit Extracts, Orange Extract, Guarana Extract, and Calebin-A team up to kick fat cells to the curb and let those fatty acids roam free, transforming your body composition like never before. These ingredients synergistically work together to amplify fat burning and improve overall body composition.* So, what are you waiting for? Get started today and sculpt your waistline with ALTER™.

Alter™ highlights:
